The MHTA conference is beneficial to anyone interested in learning how the people-plant interaction brings therapeutic change and improves well-being. This event features informative breakout sessions, book/product sales, hands-on workshops, displays, refreshments, door prizes and an optional visit to the MSU Children's Garden.

Join us to learn aspects of horticultural therapy that can enhance adult day services, children's programs, community and healing gardens, corrections, hospice, medical care/mental health, rehabilitation programs and more.

Grand Rapids, MI 49506

For MHTA Use Only ~

Date Received: _____

Date \$ Deposited: _____

Join us at the 40th annual conference to experience
breakout sessions on a variety of interesting and
educational topics. A highlight this year is a special HT
group activity: create a unique floral arrangement using
a variety of plant cuttings including succulents, herbs,
foliage plants and cut flowers to learn key objectives
and goals for a successful HT activity. Participants will
be able to take home their completed project to root
and grow; utilize these plants as stock plants for
future projects.

**Breakout Sessions ~ Find information on
each session/presenter on the MHTA website**

Session 1

1. Artful Pressed Botanicals
2. Getting To The Root of Horticultural Therapy
3. Therapeutic Horticulture with Young Children
4. Documentation: Assessment, Goals,
Progress and Evaluation
5. Grant Writing 101

Session 2

6. Artful Pressed Botanicals
7. Getting To The Root of Horticultural Therapy
8. HT Start Up: Who, What, When, Where & How!
9. Horticultural Therapy Across a Spectrum (autism)
10. HT and Older Adults
